

# Global AgeWatch Index 2014

The only measure of the wellbeing of older people around the world will be published by HelpAge International on 1 October, International Day of Older Persons.

As the number and proportion of older people increases, the *Global AgeWatch Index 2014: Insight report* puts a spotlight on how different countries are responding to people's right to a secure income in later life.

Sign up now for an email alert when the Index goes live:
